" Discipline, Quality and
Value Education is our motto "

Mr. Naveen Singh
Manager
Mob. : 91-9984900100

OUR PHILOSOPHY

We, at G.S. National Public School, aim at providing an environment which motivates children to become self-reliant and confident. We lay the foundation for right work habits, attitudes, values and a positive sense of self-awareness. We constantly endeavour to develop the spirit of National integration and create a sense of INDIANESS among the children. We encourage the children to become keen observer, great explorer and user of what he/she has learnt. We believe in the age of old axiom - "Healthy mind in healthy body". To ensure that the student keep physically fit, the school arranges various Indoor and Outdoor Sports.

Manager's Vision

- Laying a sound foundation in the core subjects.
- Assessment based on competition with oneself and not with other
- Multiple Intelligence.
- Personalized Learning.
- Constructive vision.
- Learning without cramming.
- Developing Life Skills.
- Reaching the rural areas with a view to providing quality education to socio-economically disadvantaged section of the society.

DIRECTOR'S CORNER

Mr. Vikash Singh
Director
+91-9208689649

Dear Parents,

Education is the key of National development-therefore every nation develops a firm education system. It is a fact that our education system is inherently inaugurate and it is important to fulfil the needs and aspiration for which it was established. The school aims to import a complete and quality education in the true sense where students try of to look for their career and they need enlightens and inspiration. A child who is the most wonderful creation of nature, is endnote with boundless energy and tremendous potentialities. He/she is the natural source in the trends of society that turns source material into worthy citizens, Education is the magic torch which turns the student from day to day indication to job oriented education through the existing Institutions, We believe in value - based education and hence we are not frightened to trace the difficult path. Our mission is to provide that type of education which create & awakens and illuminance their minds and souls and which gives them a proper strength of Conscience and Character. This prospectus seeks to give information about the G.S. National Public School and

FROM THE PRINCIPAL'S DESK

Dear Parents,

Welcome to the G.S. National Public School, BRIDGMANGANJ, where education means all round development of the child. This is a school that has. mission to make each child achieve his/her best.

We at GSNPS strive to respect the unique individuality of each child, give the child the right kind of help. We believe that a child will be successful in life if we accept him/her as they are and inspire them to become what they want to become. They want to be liked, appreciated and to be respected their individuality.

We give lot of importance to make discipline a core value, encourage students to develop a sense of responsibility through a well-planned Academic Schedule, House system, various Inter School competitions and Sports activities. We expect them to do the same at home to like making the beds, keeping the rooms tidy, helping and supporting the family members in the daily chores etc.

The school has a well-planned curriculum so that co-curricular activities are also given due to importance. The school Almanac and Personal Booklet give all the important information of school like the routine, rules and regulation, uniforms, test schedules, holidays, co-curricular activities and feedback from teachers. The Parents should ensure that their ward is actively involved in all activities.

Finally I want to assure you that the management and our team of experienced teachers are doing their best to give your child the required edge to make his/her mark in this global world.

INTRODUCTION:

G.S. National Public School, Bridgmanganj, Maharajganj, is governed by the registered society of Kaushik Shiksha Avam Sewa Nyas, The School is situated between Siddharth Nagar & Maharajganj districts connecting North side with Nepal border & Kolhui. With the inspiration of 315- Pharenda Vidhan Sabha M.L.A honourable Shri Bajrang Bahadur Singh, I got inspired to establish this institution in the under priviledge area to provide quality education as per the present demand of people for their kids & young generation.

A Note to Parents

1. Check the school diary sign daily. The diary forms a link between the school authorities and the parents.
2. Give sufficient time and attention towards the progress and daily work of your child. It you wish to discuss a matter of concern, contact the school office. You will be intimated the time to meet the concerned teacher during her/his free periods.
3. Be available it is necessary, to discuss aspects of your Child's behaviour at the school, be open to listening and considering the teachers opinion regarding your child, even when the comments may be less than complimentary. We care for your ward and are concerned tor his/her welfare.
4. Append your signature to messages written in the diary, report cards or other documents when requested to do so.
5. Your child must attend the first and the last day to the school term. Written permission must be sought from the Principal in case a child is not able to attend the school.
6. A student's name will be struck Off the rolls if : (i) arrears of fee accumulate beyond one installment. (ii) he/she continues to be absent without a leave note for more than one month in succession.
7. In all official correspondence with the school, the full name to the Child as well as the class and roll number Should be mentioned.
8. Parents are expected to exert firm parental discipline in cases where their child's behaviour is a distracting influence to the learning opportunities for others in the school. In any event. If the services Of a school teacher are sought for the private tutoring to a student after school hours, written permission must be sought from the Principal.
9. Children must be encouraged to do their homework by themselves, it is important that children develop a habit of working on their own. However, Parental supervision is important.
10. It is imperative for parents to attend all Parent Teacher Meetings. The management will tax a serious view of parents regularly absenting themselves from such meetings, or those who show disinterest or unconcern towards their child's education.
11. (a) Keep your Child at home it he/she is suffering from contagious diseases like mumps, measles, chicken pox, conjunctivitis, etc. Your child is to attend school only with a doctor's fitness certificate. The following period of isolation is recommended:
    Measles: 5 days after the rash disappears Mumps: 1 week after the swelling subsides Chicken Pox. Till the blisters dry & fall off. Conjunctivitis: Till no white discharge comes out to the eyes.
    (b) In case of illness or some other commitment, children should not be sent to school at all. even if there is any test. It is extremely unreasonable to send the Child who is ill to the school for the test. His/her health is more important. Children will not be allowed to leave school in between it they come only for the test. If a parent is insistent and wishes the child to go home. then his/her test will stand cancelled.
    (c) No Test or Examination date will be brought forward or postponed. If a child is absent on medical grounds, his final result will be decided on his years' work. Results once declared are final and will not be reconsidered. The principal's decision will be final.
12. Points to be noted while celebrating child's birthday in school.
    (a) Parents are requested not to send pastries, cakes, gifts and sweets to be distributed in class.
    (b) For classes Nursery to U.K.G, only: A child may wear coloured clothes to the school on his/her birthday.
    (c) From class I onwards party dress is not allowed.
13. It is understood that the school will take all possible care and precautions to safeguard the Children when they are in the school premises. However, the school will not be held responsible for any mishap beyond its control.
14. A teacher should not be criticized in front of the child, as it undermines his/ her respect for the teacher and the school. You can meet the principal regarding any complaint.
15. Parents are requested not to meet the Class teacher/subject teacher or their children during school hours in their class rooms, however, they can meet them in the reception area after obtaining prior permission from the principal.

16. Traffic Hazard: There is a lot of traffic in front of the school at arrival and departure time. especially on rainy days. To regulate the traffic, parents are requested not to reverse the vehicle in front Ot the school gate to avoid chaos. Help the gate keeper to regulate the traffic by following the instructions given to him by the school authorities as it is for the security and safety of your wards.
17. Our school is an Environment Friendly school; Therefore, Polythene Bags are not allowed in the campus. Kindly provide cloth / jute paper bags to your wards to carry their belongings.
18. Please check the way your Child is dressed in correct, clean and well-ironed uniform before leaving for school each morning. Encouraging your ward to get his/ her clothes and bag ready in the evening, polishing shoes can help him/her to be well groomed for the school.
19. Children may be counselled that extremes of fashion are not acceptable in school. Very short skirts, hipster trousers, low waste trouser, Shirts hanging out or designer shoes etc. are unacceptable.
20. Dangling ear rings and earrings larger than the earlobe (Studs are permitted), neck chains or cosmetics, lip glosses, nail polish, fancy hair Pins etc, are not permitted. Girls with short hair must wear a hair band.
21. Hair is to be Clean, neat and well groomed, and styled to be out of the eyes. Hair colouring (including tips or highlights) is not allowed. Punk or fod haircuts. Hair gel or any extremes in style. cut, shape or colour are not acceptable. Girls should make 2 braids for slightly long hair.
22. Students who do not report in correct uniform may not be allowed to sit in Class. Parents could be informed of the violations. They could be asked to bring the dress items or the student may be sent home to Change. Parents or students should not expect sympathy on this issue during school or board examinations or any other occasions.
23. Written permission for special dress concession may be sought by parents on special occasions, in case of unforeseen temporary difficulty with a dress/item. Concession thus granted will be taken as isolated case and should not be taken as norm.
24. To avoid any mix up, names of students must be written with markers on the insides of cardigans, blazer, school caps, belts. Cravats and shoes.
25. Students have to wear all items of the school uniform including all accessories in summer and winters. They must not exercise any choice in the matter because of weather conditions or personal whims.
26. Any additional dress item worn below the school dress should not be visible.
27. No student, once in school, would be allowed to leave during working hours. Prior sanction, at least a day in advance has to be taken for any such leave. No halt day leave application would be entertained. If a child is wanted back at home urgently for any emergency during school hours, the escort should have a written note from the parent bearing the signature identical to his/her specimen signature entered in the child's diary. The pupil will preferably be handed over to parents/guardian, (Marriages. functions or outstation pleasure trips would not be considered as emergencies for half day.
28. We do not accept any item sent during working hours due to security reasons and also to inculcate a sense of responsibility in the students. Please ensure that your Child carries his/ her tiffin and other things required in the school with him/ her when he/ she leaves for School in the morning.
29. You are requested to ensure that your ward packs his/ her bag strictly as per the daily class schedule to avoid carrying unnecessary weight, in case the child is found carrying extra book/ notebook, the same will be handed over only to the parents.
30. Motivate the child to read the chapters independently from her/ his textbooks. Though a certain percentage of question will come from within the lesson, still the child should not be forced to cram the whole Chapter (only 2-3 readings of the complete chapter is enough). As liberal marking will be done for the answers attempted by the child on his own.
31. Test note books Will be sent home on Second and Fourth Fridays, they should be duly signed and sent back the next Monday positively.
32. Students are required to come in their uniform and carry their School Diaries for PT.Ms.
33. Students availing school transport will not be allowed to be Picked up personally by the parents, Guardians without prior intimation to the class teacher as well as the Transport in charge at least a day in advance.
34. Any change of address or phone number has to be intimated to school in writing at the earliest.

- ADMISSION FORM with syllabus for the Entrance Test will be available from the school Office from 16 January, 2025 onwards.
- Entrance Test for the Academic Session 2025-26 will be conducted in two phases.

The criteria for admission is the 40% Passing Mark in the Entrance Test.

No Recommendation from any higher authority will be accepted for the failed Student's admission.

The school admits boys and girls between the age of 3 years to 14 years irrespective of the cast, creed and socio-economic status of their parents.

Direct Admission Procedure is followed for admitting Play way and Nursery Students. There will be an interaction with the child to assess the recognition capacity of the child.

Essential things to be brought at the time of admission are:

1. Mark sheet / Progress Report card of the ward from the last school studied.
2. Transfer Certificate (T. C.) from the previous school.
3. Birth Certificate in original from Nagar Mahapalika/Nagar Panchayat/Nyay Panchayat / Maternity Hospital etc.
4. 5 Passport size Photos of the child and 2 passport size photos of both the Parents/ Guardians.
5. A photo copy of Aadhar Card.

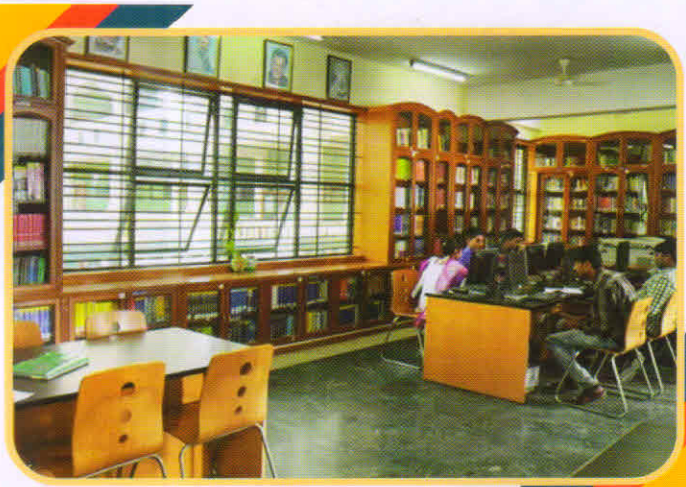

Fun & Smart Learning

"You cannot always build the future of your youth, But you can build youth for the future". We believe that every child is unique. Each one has a different pace of learning. Which needs to be discovered by the school, Therefore G.S. National Public School Bridgmanganj. Strive to understand and fulfil the individual needs of each and every learner.

We tackle the imagination of our children so that they can grasp faster. We encourage them to explore, experience, experiment and discover their own path. We provide them with a stimulating environment where love, direction and joy bring out the best in them. We have an education system that builds the character of our students and empower them in all aspects of mental, physical, emotional, social and spiritual growth.

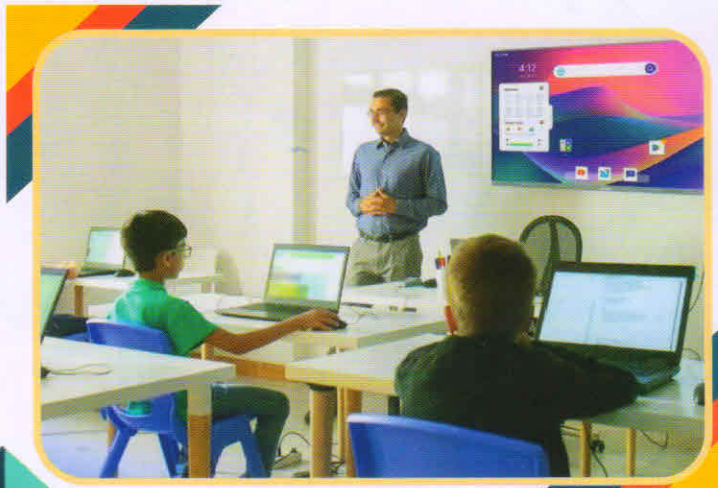

Library

School has approximately 3200 books in English, Hindi on various subjects wise Literature, Story Books, Novels, Autobiography, Biography. Religious books, philosophy Education, Sports and Games and reference books of various subjects, School also subscribes to Journals in addition to important daily News Paper. Students are encouraged to read the books and Magazines etc. during their free periods as library periods which is a part of the school time-table.

Smart Class

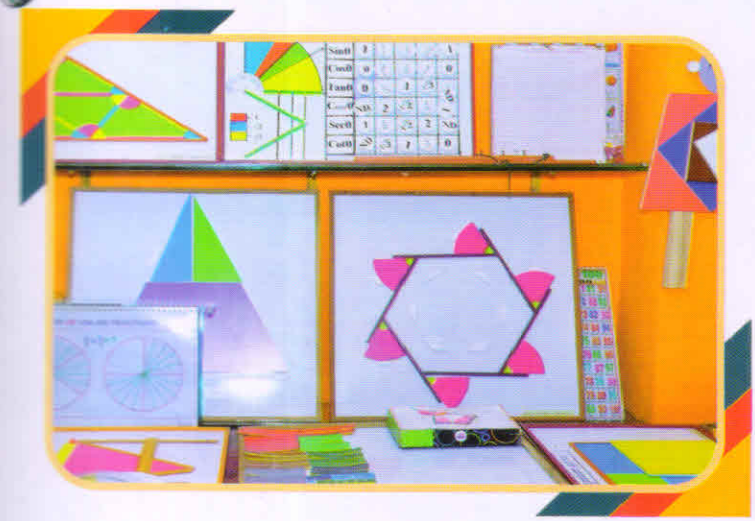

Smart classes provide an interactive atmosphere which results in more transparency between teachers and students, This helps in establishing a connection, so that students can easily express through touching, writing and drawing.

Science - Lab

To enhance the Scientific, Mechanical and Technical Skills students are regularly taken to the science labs. Where they understand the practical applications of the Scientific laws and principles.

Math's Lab

(I) The mathematics laboratory is one of the most advanced and unique facility of the school. The school has a dedicated Mathematics society which delves into the greater mysteries of the intriguing and essential subject, learning advanced mathematical concepts with the help of high-end computers advanced software and facilities and great teachers.

(II) With the view to enhance the mathematical skills of the students and improve their proficiency in various mathematical problems they are given regular practice in the maths lab.

Computer Lab

Rather than computer lab, Computer aided lessons are a regular feature of the school curriculum. The students have one to one interaction with their colleague and teachers. Knowledge of computer is the prior need and basic demand of present time. So keeping this in mind we are providing computer education from Class Ist to XIIth.

Sports and Games

We G.S.N.P.S. lay a strong emphasis design for students to develop and enhance sports and physical development. Our sports curriculum is planned skills like strength, speed, endurance, agility, flexibility, control, balance etc and we believe in mass participation, exposing our students to a number of sports events at inter school like slow cycling, disc throw, shot-put, race etc.

Co-Curricular Activities

Our school has an activity schedule for the whole year. These are conducted on according to the schedule of school, under the supervision of teachers. These activities aim to develop physical - literary and artistic skills of the student. The school will participate in inter school and inter-zonal competitions which help the students to develop aesthetic appreciation and self-confidence.

Days Celebration

We G.S.N.P.S. celebrate all important and special days in our school morning assembly program which help the student to improve their creative skill and self-confidence. Celebrating events and festivals in school have become an integral part of learning and building a strong cultural belief in a child.

Educational Tours/Excursion

School organizes periodic excursions / tours for students of different classes to enable them to see places of Historical and Educational interests.
